### Completion of Unmarketable Parcel Program

Webfirm Group Limited (ASX:WFM) has completed the sale of shares under its unmarketable parcel program, announced on 7 May 2009.

The shares sold were those held by holders of less than a marketable parcel of shares and who did not advise the Company in writing that they wished to retain their shares.

The total number of shares sold was 1,127,621 shares.

The total number of parcels sold was 1,147.

The weighted average price per share was \$0.081

Payment to the holders of shares sold under the program will be made by cheque on 11 September 2009. Costs of the sale have been met by the Company.

The program has allowed holders of small parcels of shares to dispose of their shares free of brokerage costs, and will result in a substantial saving to the Company in managing and administering a large register.
